Fall 2021 Classes

Painting/ Sweet Sunflowers- \$125

Materials Kit- \$30

Day of the Week: Monday

Class Dates: 9/13-10/11

Class Time: 4:00-5:00pm PST

Ages: 8-12

Class Description: Sunflowers just radiate joy and optimism! Bring this yellow beauty to life through acrylic paint. You'll learn how to draw a design and then add shading and color. This bold, cheerful scene can be painted on a canvas or tote bag.

Cartooning/ Intro to Cartooning- \$125

No kit required

Day of the Week: Tuesday

Class Dates: 9/14-10/12

Class Time: 4:00-5:00pm PST

Ages: 8-12

Class Description: Ready to change that 'toon?! In our Intro to Cartooning Class you will be drawing a character in your very own story. You will learn basic techniques in drawing such as how to manipulate your line by the pressure on the pencil, how to draw facial features, and use your imagination to create a story about your unique character!

Art/Clay: The Three Billy Goats Gruff- \$125

Materials Kit- \$30

Day of the Week: Tuesday

Class Dates: 9/14-10/12

Class Time: 4:00-5:00pm PST

Ages: 5-7

Class Description: Baaaaaa! (That's goat for hello.) Let's bring a beloved fairy tale to life through art. You'll use clay, paper and paint to create a 3D story!

Dyeing Fabrics/ Shibori, Batik, Tie Dye- \$125

Materials Kit- \$30

Day of the Week: Wednesday

Class Dates: 9/15-10/13

Class Time: 4:00-5:00pm PST

Ages: 8-12

Class Description: This is next level tie dye! Learn the ancient Japanese technique of Shibori, the process of twisting, bunching and folding fabric and dyeing it in a stunning indigo blue. You'll also explore Batik, using wax and dye to create unique patterns and textiles.

**Upon purchase you will receive a video that explains how to premix your dye before class.

Jewelry Making / Beading Basics- \$125

Materials Kit - \$30 + 15 Jewelry Tools

Day of the Week: Thursday

Class Dates: 9/16-10/14

Class Time: 4:00-5:00pm PST

Ages: 8-12

Class Description: Ready to take your first step on your jewelry making journey? In this beginner beading class, get to know the tools of the trade, and all the techniques you need to know to start creating

unique, dazzling beaded jewelry from scratch! Students will gain the knowledge and skill to create their own jewelry pieces. This class is a prerequisite for all other jewelry making courses.

Art/ Clay: Pinch, Coil & Slab! - \$125

Materials Kit- \$30

Day of the Week: Friday

Class Dates: 9/17-10/15

Class Time: 4:00-5:00pm PST

Ages: 8-12

Class Description: You may be thinking, 'ouch!' Don't worry, these are techniques on clay, not your arm! You'll learn how to make striking pinch, coil, and slab pots with a very special tool - your own hands!

Painting/ Birds of a Feather- \$125

Materials Kit- \$30

Day of the Week: Monday

Class Dates: 10/18-11/15

Class Time: 4:00-5:00pm PST

Ages: 8-12

Class Description: Get a birds-eye view of how to sketch and paint a trio of feathered friends against a cheery blue sky! In this acrylic painting class, young artists will learn fundamental brush techniques to create depth and contrast while giving their subject matter fun personalities.

Intro to Fashion Design & Illustration- \$125

No kit required

Day of the Week: Tuesday

Class Dates: 10/19-11/16

Class Time: 4:00-5:00pm PST

Ages: 8-12

Class Description: Have an eye for fashion? In this class, students show off their style through drawing and illustration with pencil, watercolor, pen and ink. Fashionistas will learn to create a croquis or sketch of a figure and then dress it in creations that are ready for the runway!

Art/ Crazy Collages- \$125

Materials Kit- \$30

Day of the Week: Tuesday

Class Dates: 10/19-11/16

Class Time: 4:00-5:00pm PST

Ages: 5-7

Class Description: Let's get wild - with creativity, that is! What do you get when you put line, shape, color, pattern and your imagination together? Crazy collages!

In this class students will explore creating birds, monsters and more using colorful paper, recycled papers and originality to make super fun montage art.

Textiles/ Plain Weave Rhythms- \$125

Materials Kit- \$30

Day of the Week: Wednesday

Class Dates: 10/20-11/17

Class Time: 4:00-5:00pm PST

Ages: 8-12

Class Description: You won't learn to bob but you will learn to weave in this class! Explore the art of textile creation on a frame loom using simple, fun, and creative techniques. You'll learn some basics of how to warp the loom, how to use tools such as needles and shuttles, and how to use principles of art such as color and texture in weaving. Create plain weave, knots and edges in a series of adorable, tiny tapestries.

Jewelry/ Need 4 Beads Bracelets- \$125

Materials Kit - \$30+15 Jewelry Tools

Day of the Week: Thursday

Class Dates: 10/21-11/18

Class Time: 4:00-5:00pm PST

Ages: 8-12

Class Description: Bead 'em, love 'em, stack 'em! Bracelets are one of our all-time favorite accessories to make, and we're so excited to bring all campers a wide variety of designs! Learn how to design patterns that make your jewelry pop as well as how to work with multiple strands of beading wire and different beads to achieve eye catching shapes and textures.

Important - Beading Basics is a prerequisite for this class.

Art/ Play With Clay! - \$125

Materials Kit- \$30

Day of the Week: Friday

Class Dates: 10/22-11/19

Class Time: 4:00-5:00pm PST

Ages: 8-12

Class Description: You'll be in the dough in this class! Learn all kinds of fun ways to create texture on the surface of your clay, make interesting forms and turn them into a variety of objects like small dishes and a wall hanging.

Watercolor/ Paint Your Veggies- \$75**Materials Kit - \$30****Day of the Week:** Monday**Class Dates:** 11/29-12/13**Class Time:** 4:00-5:00pm PST**Ages:** 8-12

Class Description: Instead of eating your vegetables, let's paint them instead! Like flowers, every veggie is unique in color and form. Students will create their own bountiful garden in watercolor using special techniques and brushwork.

How to Draw: 3D Princess Dresses- \$75**No kit required****Day of the Week:** Tuesday**Class Dates:** 11/30-12/14**Class Time:** 4:00-5:00pm PST**Ages:** 8-12

Class Description: Bippety-boppity-boo! With a wave of a magic wand (or colored pencil), students will learn how to draw figures and design enchanting gowns to get their princess ready for the ball! Using beautiful watercolor, embellishments and a collage technique, young artists will create lifelike 3D images.

Art/ Birds, Bugs & Beasts- \$75**No Materials Kit Required****Day of the Week:** Tuesday**Class Dates:** 11/30-12/14**Class Time:** 4:00-5:00pm PST**Ages:** 5-7

Class Description: Birds, bugs and beasts - oh my! Young artists will learn about line, shape and color to create some whimsical characters you see in the world around you and some you can only imagine.

Off the Wall Macrame- \$75**Materials Kit- \$30****Day of the Week:** Wednesday**Class Dates:** 12/1-12/15**Class Time:** 4:00-5:00pm PST**Ages:** 8-12

Class Description: Let's get knotty! Macrame is a gorgeous and versatile craft that never seems to go out of style. In this class, we'll be focusing on basic-but-beautiful knots, and learning how to combine them into impressive pieces of textile art.

Jewelry/ Color Blocking- \$75

Materials Kit - \$30 + \$15 Jewelry Tools

Day of the Week: Thursday

Class Dates: 12/2-12/16

Class Time: 4:00-5:00pm PST

Ages: 8-12

Class Description: Rainbows have all grown up! Color blocking is probably one of the most fun trends we have seen around recently, and we think it's here to stay. Vibrant colors meeting together in dazzling harmony? Yes, please! This beading class will explore the world of color in a trendy, modern setting, and students will create an eye-catching collection of jewelry!

Important - Beading Basics is a prerequisite for this class.

Art/ Creating with Clay & Fiber- \$75

Materials Kit- \$30

Day of the Week: Friday

Class Dates: 12/3-12/17

Class Time: 4:00-5:00pm PST

Ages: 8-12

Class Description: I see a llama in your future! We're exploring mixed media techniques with three different clay types: ceramic, air-dry and polymer. You'll use surface and structural design elements and add cool components like fiber to make it interesting!
